

Form IL-941 Instructions

Who must file Form IL-941?

You must file Form IL-941 if you paid amounts subject to Illinois withholding income tax including payroll, compensation, gambling winnings, Illinois Lottery winnings, or amounts paid to purchase the rights to Illinois Lottery winnings. For more information, see Publication 130, Who is Required to Withhold Illinois Income Tax.

You **must file** a return **even if no tax was withheld** during the reporting period (*e.g.*, employees who are seasonal workers). If you discontinue having Illinois employees, complete Step 2, Line B.

Note: If you have household employees, see Publication 121, Illinois Income Tax Withholding for Household Employees.

When is my return due?

If you are a quarterly filer: A quarterly return is due the last day of April, July, and October of 2014, and January of 2015. **Do not** file an annual reconciliation return. New taxpayers (taxpayers whose first reporting period was less than 18 months ago) are assigned to the monthly payment schedule and must file a return every quarter.

If you are an annual return filer: Your annual return is due **January 31, 2015**. **Do not** file quarterly IL-941 returns. **Do not** file an annual return unless you have received notification from the Illinois Department of Revenue that you qualify to do so. **Note:** if you exceed \$12,000 in withholding during a quarter, you must begin to file your IL-941 quarterly for the following quarter, the remainder of the year, and the subsequent year.

When are my payments due?

Your payment due dates are based on the day you pay your employees and the schedule we assign to you. Most payments are due **monthly or semi-weekly**. If you are assigned to the semi-weekly payment schedule, you must make your withholding tax payments electronically. A few taxpayers are assigned to the annual payment schedule. See Publication 131, Withholding Income Tax Payment and Filing Requirements. (Form IL-501 is the payment coupon.)

Note: You will owe a **late-payment penalty** if you do not pay the tax you owe by each payment due date. We may ask you to provide payroll information electronically.

How can I file or pay electronically?

You may use **MyTax Illinois** on our website or approved Tax-Prep software (software you develop or purchase off-the-shelf). **MyTax**

Illinois also provides on-line account management. For detailed information or additional electronic payment options, go to our website at tax.illinois.gov.

Do I figure penalties or interest?

We will bill you for penalties and interest, if applicable. For more information about penalties and interest, see Publication 103, Penalties and Interest for Illinois Taxes.

How do I correct a Form IL-941 I have already filed?

You **must** file Form IL-941-X, Amended Illinois Withholding Income Tax Return. **Do not** complete another Form IL-941 for the same quarter or year.

Go to tax.illinois.gov to download Form IL-941-X or file online using MyTax Illinois.
