

Payment Coupon (IL-501) and Instructions

2019

This form is for limited use only

Most withholding payments should be made electronically or with preprinted, personalized forms — not the form below.

For your payment to be applied quickly and accurately to your account, either

- electronically pay on our website at tax.illinois.gov, or
- order personalized, preprinted forms by calling us at the numbers listed below.

Who should use this payment coupon?

Use this payment coupon to pay the Illinois Income Tax you withheld if

- you are a **NEW** business and have not received your registration information from us yet; or
- you are an existing business and
 - 1) cannot electronically pay (see "May I pay electronically?"); or
 - 2) do not use a tax professional or tax prep software; or
 - 3) have ordered but not yet received personalized payment coupons from us.

When are my payments due?

Important: If you have been notified that you are required to make semi-weekly payments, you must make your payments *electronically*.

Most taxpayers who use payment coupons are considered monthly payers. Monthly payers must pay by the 15th day of each month for amounts withheld the preceding month. You may pay more frequently using one of our electronic methods or preprinted payment coupons. **Do not** use your return, Form IL-941, to pay more frequently.

If you exceed \$12,000 in withholding during a quarter, you must begin using the semi-weekly payment schedule for the following quarter, the remainder of the year, and the subsequent year. In addition, you must make your payments **electronically**.

See Publication 131, Withholding Income Tax Payment and Filing Requirements, for

more information. **Do not** make a payment or submit an IL-501 Payment Coupon if no Illinois income tax was withheld.

When is income tax considered withheld?

In Illinois, income tax is considered withheld on the date you pay your employees or others. This is important to determine when your payment is due. **Do not** estimate your withholding income tax.

How much should I pay?

The amount you pay is dependent upon the amount you withhold from your payee (refer to IL-700-T) minus any credit amounts received from the Department of Commerce and Economic Opportunity (DCEO) or the Department of Revenue.

May I pay electronically?

Yes. We encourage you to pay electronically.

- **MyTax Illinois** on our website at tax.illinois.gov offers an easy, convenient, and fast way to submit payments at any time. You can schedule the dollar amount, debit date, and tax period. No software is required and it is available 24 hours a day, 7 days a week.
- **Federal State Employment Tax (FSET)** program allows you to directly debit your account.
- **Other electronic** options (You must complete Form EFT-1, Authorization Agreement for Certain Electronic Payments.):

ACH credit — you instruct your financial institution to transfer funds from your account to ours.

ACH debit telephone option — you instruct us to debit the payment from your account.

For more information regarding our electronic options, visit our website at tax.illinois.gov, call **217 782-6257**, or email us at rev.taxpay@illinois.gov.

What penalties may be assessed?

To avoid penalties, all tax withheld must be paid by each payment due date. You must provide payroll information on Form IL-941 to verify your pay dates.

You will owe a **late-payment penalty** if you are required to make monthly or semi-weekly tax payments and do not pay the required amounts by the payment due dates.

A **bad check penalty** of \$25 will be assessed if you send a remittance that is not honored by your financial institution. This penalty will be assessed in addition to any other penalty.

For more information about penalties and interest, see Publication 103, Penalties and Interest for Illinois Taxes.
