Dear Xxxxx:

This letter is in response to your letter dated November 24, 2009, in which you request information. The Department issues two types of letter rulings. Private Letter Rulings ("PLRs") are issued by the Department in response to specific taxpayer inquiries concerning the application of a tax statute or rule to a particular fact situation. A PLR is binding on the Department, but only as to the taxpayer who is the subject of the request for ruling and only to the extent the facts recited in the PLR are correct and complete. Persons seeking PLRs must comply with the procedures for PLRs found in the Department's regulations at 2 Ill. Adm. Code 1200.110. The purpose of a General Information Letter ("GIL") is to direct taxpayers to Department regulations or other sources of information regarding the topic about which they have inquired. A GIL is not a statement of Department policy and is not binding on the Department. See 2 Ill. Adm. Code 1200.120. You may access our website at www.tax.illinois.gov to review regulations, letter rulings and other types of information relevant to your inquiry.

The nature of your inquiry and the information you have provided require that we respond with a GIL. In your letter you have stated and made inquiry as follows:

COMPANY would like to know the taxability of clearinghouse charges in your state. Clearinghouse charges refer to the service provided to doctors to electronically file their insurance claims. In addition, we send paper claims to insurance companies who cannot receive claims electronically. We bill separate amounts for the electronic claims and paper claims.

If you could please send your response to my attention at the address below, it would be greatly appreciated.

Thank you for your time and assistance with this matter.

DEPARTMENT'S RESPONSE:

The Illinois Retailers' Occupation Tax Act imposes a tax upon persons engaged in this State in the business of selling tangible personal property to purchasers for use or consumption. 35 ILCS 120/2; 86 Ill. Adm. Code 130.101. In Illinois, Use Tax is imposed on the privilege of using, in this State, any kind of tangible personal property that is purchased anywhere at retail from a retailer. 35 ILCS 105/3; 86 Ill. Adm. Code 150.101. These taxes comprise what is commonly known as "sales" tax in Illinois. If the purchases occur in Illinois, the purchasers must pay the Use Tax to the retailer at the time of purchase. The retailers are then allowed to retain the amount of Use Tax paid to

reimburse themselves for their Retailers' Occupation Tax liability incurred on those sales. If the purchases occur outside Illinois, purchasers must self assess their Use Tax liability and remit it directly to the Department.

Illinois Retailers' Occupation and Use Taxes do not apply to sales of service that do not involve the transfer of tangible personal property to customers. However, if tangible personal property is transferred incident to sales of service, this will result in either Service Occupation Tax liability or Use Tax liability for the servicemen depending upon his activities. For your general information see of 86 Ill. Adm. Code 140.101 through 140.109 regarding sales of service and Service Occupation Tax.

I hope this information is helpful. If you require additional information, please visit our website at www.tax.illinois.gov or contact the Department's Taxpayer Information Division at (217) 782-3336.

Very truly yours,

Richard S. Wolters
