INCOME TAX**

SUBPART T: EMPLOYER'S RETURN AND PAYMENT OF TAX WITHHELD

Section 100.7300 Returns and Payments of Income Tax Withheld from Wages (IITA Sections 704 and 704A)

- a) Quarterly returns. Except as otherwise provided in Section 100.7310 or 100.7350, every employer required to deduct and withhold tax on compensation paid in Illinois shall make a return for the first calendar quarter in which the tax is deducted and withheld and for each subsequent calendar quarter (whether or not compensation is paid in that quarter) until a final return is filed. (See IITA Sections 704(c) and 704A(b).) Each return required under this subsection must be made *in the form and manner required by the Department* [35 ILCS 5/704(b) and 704A(b)].
 - 1) For calendar years after 2009, payroll providers who withhold Illinois income tax for employers during the year and who are required to file federal withholding returns on magnetic media under 26 CFR 301.6011-2 shall file returns due under this subsection (a) with the Department using the same magnetic media used for their federal filing.
 - 2) All other returns required under this subsection (a) may be filed with the Department at the address provided on the Form IL-941, Illinois Quarterly Withholding Income Tax Return, or its instructions.

- b) Filing and retention of copies of combined W-2.
 - 1) For calendar years prior to 2008.
 - A) Every employer required under this Section or Section 100.7310 or 100.7350 to make a return of tax withheld from compensation for a period ending December 31, or for any period for which a return is made as a final return, shall retain a copy of each wage and tax statement on the combined W-2 required under Section 100.7200 to be furnished by the employer with respect to compensation paid during the calendar year. For calendar years prior to 2008, every employer shall maintain copies of the combined W-2 forms for three years from the due date of the IL-W-3 for that period. For each calendar year after 2007, every employer shall maintain copies of the combined W-2 forms until January 31 of the fourth year following that calendar year. If the Department makes a written

request for copies of the combined W-2 forms, the copies shall be forwarded to the Department within 30 days after the written request.

- B) If an employer issues a corrected copy of a combined W-2 to an employee for a prior calendar year (see Section 100.7200(d) above), a copy shall be retained for a period of four years from the date fixed for filing the employer's return of tax withheld for the period ending December 31 of the year in which the correction is made, or for any period in the year for which the return is made as a final return. A statement explaining the corrections shall also be retained and, if the Department requests, a copy of the corrected W-2 shall be submitted within 30 days after the written request.
 - C) Each year, the Department will contact a sample of Illinois employers and require those employers to provide copies of their employee W-2s. Employers chosen by the Department will be required to file W-2s in the same manner they are required to file W-2s federally.
 - i) Employers with more than 250 employees in the State of Illinois will be required to provide the W-2s on magnetic tape, diskette, or cartridge meeting the specifications required by the Social Security Administration (see 26 CFR 301.6011-2).
 - ii) All other employers may provide the W-2s on magnetic media or paper.
 - D) An extension of time for providing statements requested by the Department shall be granted upon a showing of good cause.
- 2) The following persons, if they are required to file copies of the W-2s on magnetic media under 26 CFR 301.6011-2, shall file copies of the W-2s with the Department using the same magnetic media used for their federal filing no later than March 31 of the year following the year of the withholding, unless a later due date is prescribed under federal law for filing the copies of the W-2, in which case filing of copies with the Department shall be due on the same date (see IITA Sections 704(f) and 704A(f)):
- A) for calendar years after 2007, payroll providers who withhold Illinois income tax for employers during the year; and
 - B) for calendar years after 2008, all employers.
- 3) For calendar years after 2007, with respect to copies of W-2s other than those required to be filed on magnetic media under subsection (b)(2):
- A) Every employer required under this Section or Section 100.7310 or 100.7350 to make a return of tax withheld from compensation for a period ending December 31, or for any period for which a return is made as a final return, shall retain a copy of each wage and tax statement on the combined W-2 required under Section 100.7200 to be furnished by the employer with respect to compensation paid during the calendar year. Every employer shall maintain copies of the combined W-2 forms until

January 31 of the fourth year following that calendar year. If the Department makes a written request for copies of the combined W-2 forms, the copies shall be forwarded to the Department within 30 days after the written request.

- B) If an employer issues a corrected copy of a combined W-2 to an employee for a prior calendar year (see Section 100.7200(d)), a copy shall be retained for a period of four years from the date fixed for filing the employer's return of tax withheld for the period ending December 31 of the year in which the correction is made, or for any period in the year for which the return is made as a final return. A statement explaining the corrections shall also be retained and, if the Department requests, a copy of the corrected W-2 shall be submitted within 30 days after the written request.
 - C) Each year, the Department will contact a sample of Illinois employers and require those employers to provide copies of their employee W-2s.
 - D) An extension of time for providing statements requested by the Department shall be granted upon a showing of good cause.
- c) Payments of amounts withheld prior to January 1, 2008. Except as otherwise provided in Section 100.7310 or 100.7350, with respect to amounts withheld or required to be withheld prior to January 1, 2008:
- 1) Quarter-monthly tax payments. Every employer required to file a quarterly return under subsection (a) shall also file a quarter-monthly tax payment form if the amount of tax deducted and withheld during any quarter-monthly period plus the amount previously withheld and not remitted to the Department exceeds \$1,000. An employer need not file a quarter-monthly form if no quarter-monthly payment is due. Certain taxpayers with tax liabilities exceeding statutory thresholds are required to pay their tax liabilities by electronic funds transfer. 86 Ill. Adm. Code 750 sets forth the rules of the Department concerning payment of taxes by electronic funds transfer, as well as the statutory payment thresholds.
 - 2) Monthly tax payments. Every employer required to file a quarterly return under subsection (a) shall also file a monthly tax payment form if the amount of tax deducted and withheld during any calendar month plus the amount previously withheld and not remitted to this Department exceeds \$500 including amounts previously withheld and not remitted to the Department, but does not exceed \$1,000. An employer need not file a monthly form if no monthly payment is due. No monthly form is required for the third month in any calendar quarter. The information otherwise required to be reported on the monthly form for the third month in a calendar quarter shall be reported on the quarterly return filed for that quarter and no monthly form need be filed for that month.
- d) Payments of amounts withheld on or after January 1, 2008. Except as provided in Section 100.7310 or 100.7350, with respect to amounts withheld or required to be withheld on or after January 1, 2008:
- 1) Semi-weekly tax payments.

- A) An employer who withheld or was required to withhold more than \$12,000 during the look-back period for a calendar year must make semi-weekly payments for the entire calendar year.
 - B) An employer who withholds or is required to withhold more than \$12,000 in any quarter of a calendar year is required to make semi-weekly payments of amounts withheld or required to be withheld during each remaining quarter of that calendar year and for the subsequent calendar year. (See IITA Section 704A(c)(1).)
- 2) Monthly tax payments. An employer who is not required to make semi-weekly payments shall make monthly payments of taxes withheld or required to be withheld. (See IITA Section 704A(c)(3).)
