Instructions

**Step 1: Identify the property**

Enter the exemption number in the blank at the top of the form for which you are requesting a certification.

**Lines 1-4** — Follow the instructions on the form.

**Line 5** — Check whether the figures for services and activities you will enter on Lines 6 through 14 are for the hospital year or the average of the previous three fiscal years ending with the hospital year.

**Hospital year** - The fiscal year of the relevant hospital entity, or the fiscal year of one of the hospital owners in the hospital system if the relevant hospital entity is a hospital system with members with different fiscal years, that ends in the year for which the exemption is sought.

**Step 2: Provide information about the services and activities for the relevant hospital entity**

**Line 6** — **Charity care** — Free or discounted services provided pursuant to the Relevant Hospital Entity’s financial assistance policy, measured at cost, including discounts provided under the Hospital Uninsured Patient Act.

**Line 7** — **Health services to low-income and underserved individuals** — Unreimbursed costs of the Relevant Hospital Entity for providing without charge, paying for, or subsidizing goods, activities, or services for the purpose of addressing the health of low-income or underserved individuals. Those activities or services may include, but are not limited to, financial or in-kind support to affiliated or unaffiliated hospitals, hospital affiliates, community clinics, or programs that treat low-income or underserved individuals; providing or subsidizing outreach or educational services to low-income or underserved individuals for disease management and prevention; free or subsidized goods, supplies, or services needed by low-income or underserved individuals because of their medical condition; and prenatal or childbirth outreach to low-income or underserved persons.

**Line 8** — **Subsidy of state or local governments** — Direct or indirect financial or in-kind subsidies of state or local governments by the Relevant Hospital Entity that pay for or subsidize activities or programs related to health care for low-income or underserved individuals.

**Line 9** — **Support for state health care programs for low-income individuals** — At the election of the Hospital Applicant for each applicable year, either

- 10 percent of payments to the Relevant Hospital Entity and any Hospital Affiliate designated by the relevant Hospital Entity (provided that such hospital affiliate’s operations provide financial or operational support for or receive financial or operational support from the Relevant Hospital Entity) under Medicaid or other means-tested programs, including, but not limited to, General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children’s Health Insurance Program; or
- the amount of subsidy provided by the Relevant Hospital Entity and any hospital affiliate designated by the Relevant Hospital Entity (provided that such hospital affiliate’s operations provide financial or operational support for or receive financial or operational support from the Relevant Hospital Entity) to state or local government in treating Medicaid recipients and recipients of means-tested programs, including but not limited to General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children’s Health Insurance Program.

The amount of subsidy for purposes of the item is calculated in the same manner as unreimbursed costs are calculated for Medicaid and other means-tested government programs on federal Form 990, Schedule H. Unreimbursed costs shall be net of fee-for-services payments, payments pursuant to an assessment, quarterly payments, and all other payments included on the Schedule H.

**Line 10** — **Dual-eligible subsidy** — This is the amount of subsidy provided to the government by treating dual-eligible Medicare/Medicaid patients. The amount of subsidy is calculated by multiplying the Relevant Hospital Entity’s ratio of dual-eligible patients to total Medicare patients by the Relevant Hospital Entity’s unreimbursed costs for Medicare (calculated in the same manner as federal Form 990, Schedule H).

**Line 11** — **Relief of the burden of government related to health care of low-income individuals** — From Schedule A.

**Line 12** — Enter the value of any other activity by the hospital that the Department determines relieves the burden of government or addresses the health of low-income or underserved individuals. Clearly specify the service or activity.

**Line 13** — Add Lines 6 - 12 and enter the total here.

**Line 14** — Write the amount of the actual property tax from the property tax bill or the estimated property tax from Schedule E, Line 18, whichever is less, for all of the exempt property the owner, affiliate, or system owns for the year for which this certification is being submitted.
