

# IL-505-B Automatic Extension Payment

## What is the purpose of Form IL-505-B?

Form IL-505-B, Automatic Extension Payment, provides taxpayers who are unable to file their business income tax return by the due date a means of calculating and remitting their tentative tax liability on or before the original due date of the return (see "When should I file and pay?").

## Who must file Form IL-505-B?

You must file Form IL-505-B if **all** of the following apply to you:

- you are required to file Form IL-1120, IL-990-T, IL-1041, IL-1065, IL-1120-ST, or Form IL-1023-C, and
- you cannot file your annual tax return by the due date, and
- you complete the Tax Payment Worksheet on the back of this page and determine that you will owe a tentative tax.

If Line 9 of the worksheet shows you owe tentative tax, pay the full amount due either by filing and paying with this form or by making your payment electronically. **An extension of time to file does not extend the amount of time you have to make your payment.**

## Do not file Form IL-505-B if:

- after completing the Tax Payment Worksheet, you find that you **do not owe additional tax**, or
- you make your **extension payment** electronically.

**Unitary group:** If you are a member of a unitary business group that is filing a combined return, your designated agent must complete one Form IL-505-B for the entire group as though it is one taxpayer.

**Federal consolidated group:** If you are a member of a federal consolidated group, you must file a separate Form IL-505-B for each member that is required to file an Illinois tax return. We will not grant "blanket" or consolidated extensions.

**Form IL-1023-C filers:** If you are filing Form IL-505-B for an extension to file your Form IL-1023-C, you must write "666" on the "SEQ" line on this form.

**Note** Please be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See "What are the penalties and interest?"

## What are the extensions?

**Automatic Illinois extension** — We grant you an automatic six-month (seven-month for corporations) extension to file your annual return whether or not you request the automatic extension. You are not required to file Form IL-505-B to obtain this extension if no tentative tax is due.

**Additional federal extension beyond six months** — We will grant you an additional extension to file of more than six months IL-505-B front (R-12/13)

(seven months for corporations) if the Internal Revenue Service (IRS) grants you an additional extension.

If you do not owe any tentative tax, you are not required to file Form IL-505-B. However, you **must attach** a copy of the approved federal extension to your annual return when you file it.

## When should I file and pay?

You must file your completed Form IL-505-B, and pay any tentative tax amount you owe by the original due date of your tax return or as soon as you realize you owe tentative tax. This includes annual and short-year returns. The due date depends on the type of tax return that you file. Refer to the following list of return due dates.

All dates refer to the months following the close of the taxable year.

For	Due date
• corporations, subchapter S corporations	the 15th day of the 3rd month
• partnerships, fiduciaries, composites, exempt organizations (employee trusts only)	the 15th day of the 4th month
• exempt organizations (all others)	the 15th day of the 5th month
• cooperatives	the 15th day of the 9th month

**Note** If you file federal Form 1120, U.S. Corporation Income Tax Return, and the original due date is later than the 15th day of the 3rd month, your Form IL-1120 and your payment will be due at the same time as your federal Form 1120.

Make your check or money order payable to "Illinois Department of Revenue." Be sure to write your **FEIN, tax year, and "IL-505-B" on your payment.** Mail your Form IL-505-B, with your payment, to

**ILLINOIS DEPARTMENT OF REVENUE  
PO BOX 19045  
SPRINGFIELD IL 62794-9045**

**Special Note** You may be required to make your payments electronically. For more information, see Informational Bulletin FY 2011-01.

## What are the penalties and interest?

**Penalties** — You will owe

- a **late-filing penalty** if you do not file a processable return by the extended due date;
- a **late-payment penalty** if you do not pay the tax you owe by the original due date of the return;
- a **bad check penalty** if your remittance is not honored by your financial institution.

**Interest** is calculated on tax from the day after the original due date of your return through the date you pay the tax.
