Mr. Berks:

This letter is to notify you of the intent of the Illinois Retail Merchants Association (IRMA) to offer testimony regarding the proposed sourcing rules at the public hearing to be held the morning of Friday, March 21st. I fully anticipate offering this testimony from IDOR's Springfield location.

Briefly, IRMA's testimony will focus on the fact the proposed rules make it impossible for retailers to know with certainty where to source a sale and can be tightened significantly while abiding by the decision of the Illinois Supreme Court.

Should you require additional information, please do not hesitate to contact me.

Sincerely,
