Beginning July 1, 2003, the collection discount for filing and paying in full and on time, the Motor Fuel Tax, Underground Storage Tank Tax, and the Environmental Impact Fee, is 1.75 percent (.0175).

What forms have been revised to reflect this change?

We have revised

- ◆ Form RMFT-5, Motor Fuel Distributor/Supplier Tax Return and Instructions;
- ◆ Form RMFT-5-US, Underground Storage Tank Tax and Environmental Impact Fee Receiver Return and Instructions;
- ◆ Form RMFT-5-X, Amended Motor Fuel Distributor/Supplier Tax Return and Instructions; and
- ◆ Form RMFT-5-US-X, Amended Underground Storage Tank Tax and Environmental Impact Fee Receiver Return's instructions.

Please use the revised forms immediately, beginning with the June 2003 return due on before July 20, 2003.

Note: You must discard any old forms you may have.

Are there any other changes effective July 1, 2003?

Yes. For returns due on or after July 1, 2003, you may be assessed a cost of collection fee if you do not pay the amount you owe within 30 days from the date on the assessment or bill. If the unpaid amount is less than \$1,000, the fee is \$30, if the amount is \$1,000 or more, the fee is \$100.
