### Step-by-Step Instructions

---

#### Step 1: Identify your warehouse

On the lines provided in the left column, write your warehouse's name, address, License number, and Account ID. In the right column, write the month and year of the tax period for which you are filing this form. Also check the class of alcoholic liquor you are reporting. Report only one class of liquor per page.

#### Step 2: Write the number of units on hand at the end of the month

If you need additional space, make a copy of Page 2 before you begin.

Write the name of each account for whom you store alcoholic liquors. In the appropriate column next to each account's name, write the number of units you have on hand for that account at the end of the month. Add all Page "subtotals" together for each unit, and write each sum on the appropriate "Grand total" line on the front of the form.

#### Step 3: Figure the monthly summary

**Line 1** — These amounts should match those that you reported on Line 5 of the report you filed for the previous month.

**Line 2** — Copy the amounts from Form RL-51, Step 2, Grand total, to this line.

**Line 3** — Add Lines 1 and 2.

**Line 4** — Copy the amounts from Form RL-53, Step 2, Grand total, to this line.

**Line 5** — Subtract Line 4 from Line 3. These amounts should match those you reported on Step 2, Grand total.

#### Step 4: Sign below

This form must be signed and dated by an authorized employee of the warehouse for which the form is filed.
