

Read this information first - For original returns only. Do not use this form with any amended return filed after the extended due date of the return. We encourage you to let us figure your penalties and send you a bill, instead of completing this form yourself.

We will waive the late payment penalty for underpayment of estimated tax if you timely paid the lesser of 100 percent (rather than 150 percent, as previously published) of the prior year's tax liability or 90 percent of the current year's tax liability. If you elect to complete Form IL-2220, this form reflects that waiver.

Step 1: Provide the following information
