You should also keep a copy in your tax records.**

### What if I am a Grantor Trust or Disregarded Entity?

If amounts are reported on Schedule K-1-T, Step 3, Column B, Lines 11 through 18, or you had Illinois Income from other sources and the payments made on your behalf do not cover your liability, you must file a return to report the tax on all of your Illinois income and claim a credit for pass-through entity payments made on your behalf.

# Step-by-Step Instructions

for Step 7, Line 51

**Line 51 — Fiscal filers only. For taxpayers with tax years ending on or after January 1, 2014.** This is your share of federal income attributable to transactions subject to the Compassionate Use of Medical Cannabis Pilot Program Act surcharge. Use this information when calculating the surcharge on your return.

See the instructions below and the instructions for the return you are filing for more information.

**Note** → **Form IL-1040 filers only** - Line 51 is only for use with tax years ending on or after December 31, 2014.

## Definitions related to the Compassionate Use of Medical Cannabis Pilot Program Surcharge —

**Organization registrant** means a corporation, partnership, trust, limited liability company (LLC), or other organization that holds either a medical cannabis cultivation center registration issued by the Illinois Department of Agriculture or a medical cannabis dispensary registration issued by the Illinois Department of Financial and Professional Regulation.

**Transactions subject to the surcharge** means sales and exchanges of

- capital assets;
- depreciable business property;
- real property used in the trade or business; and
- Section 197 intangibles

of an organization registrant.

## What is the surcharge?

For each taxable year beginning or ending during the Compassionate Use of Medical Cannabis Pilot Program, a surcharge is imposed on all taxpayers on income arising from the transactions subject to the surcharge of an organization registrant under the Compassionate Use of Medical Cannabis Pilot Program Act.

The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to the transactions subject to the surcharge.

## To whom does the surcharge apply?

The surcharge is imposed on any taxpayer who incurs a federal income tax liability on the income realized on a “transaction subject to the surcharge.” including individuals and other taxpayers who are not themselves the “organization registrant” that engaged in the transaction.

A beneficiary who incurs a federal income tax liability on income from a transaction subject to surcharge distributed by a trust or estate will incur a surcharge.

**Note** → Although a unitary business group filing combined Illinois returns is treated as a single taxpayer and its members are jointly and severally liable for any surcharge imposed on the group, the group itself is not an organization registrant and transactions of any member that is not itself an organization registrant are not subject to the surcharge.

## How do I use the amount reported on Line 51?

The amount reported on Line 51 identifies your share of any federal income attributable to transactions subject to the surcharge. The trust or estate listed in Step 1 should have also provided you with a breakdown itemizing any amount reported on Line 51.

Use this information when completing the “Compassionate Use of Medical Cannabis Pilot Program Act Surcharge Worksheet” in the instructions for the return you are filing. Line 51 identifies federal income attributable to transactions subject to the surcharge that should not be included when you complete Line 2 of the worksheet.

**Note** → The amount on Line 51 identifies **federal income** attributable to transactions subject to the surcharge, **not** federal income tax liability for the taxable year attributable to the transactions subject to the surcharge. Exclude this income before figuring the federal income tax amount on Line 2 of the worksheet.
