

**What are Enterprise Zones?**

**Enterprise zones** are economically distressed areas in Illinois that qualify for special tax incentives once they are designated by the state and participating local governments. The following portions of the municipalities and counties listed are designated as enterprise zones. For more information, please contact the local zone administrator.

**Note** → Illinois enterprise zones are listed in order by the date they were designated as enterprise zones by the DCEO.

**July 1, 1983**
