

Form ART-1 General Information

Who must file Form ART-1?

You must file Form ART-1 and collect and pay the Automobile Renting Occupation Tax if you rent or lease one of the following qualifying motor vehicles within Illinois for a period of one year or less:

- a first division motor vehicle;
- a second division, self-contained motor vehicle designed for or permanently converted to provide living quarters for recreational, camping or travel use, provided this motor vehicle has direct walk-through access to the living quarters from the driver's seat;
- a second division van designed for the transportation of not less than 7 or more than 16 passengers; or
- a second division motor vehicle with a gross vehicle weight rating of 8,000 pounds or less.

This list includes automobiles, pickup trucks, sport utility vehicles, motorcycles and motor-driven cycles, motor homes and recreational vehicles, and vans.

In addition, if you are an out-of-state business that rents to Illinois persons, corporations, firms, or associations, you are required to file this form and pay Automobile Renting Use Tax on the receipts you have collected. You also should file this form if you are renting or leasing from an out-of-state location a qualified motor vehicle to be titled and registered in this state, and do so in a county or municipality that imposes a County or Municipal Renting Occupation and Use Tax.

See Publication 114, Automobile Renting Occupation and Use Tax, for additional information.
