

ST-1-X Instructions

General Information

Who must file Form ST-1-X?

You must file Form ST-1-X if you are registered with the Illinois Department of Revenue to file Form ST-1, Sales and Use Tax and E911 Surcharge Return, and you need to

- correct your Form ST-1 to pay more tax, E911 Surcharge, or ITAC Assessment;
- request a credit for tax, E911 Surcharge, or ITAC Assessment you overpaid. Do not use the credit until we notify you that your credit has been approved;
- respond to a notice or bill;
- make corrections to line items but there is no change in the amount of tax, E911 Surcharge, or ITAC Assessment due; or
- correct your entries on Form ST-2, Multiple Site Form, regardless of whether the change results in a credit or balance due.

If your original return needs to be transferred to a different account or reporting period within the same account, do *not* use Form ST-1-X. You must send us a letter requesting the correction.

You must file one Form ST-1-X for each reporting period you want to amend. For example, if you file Form ST-1 monthly, you must file one Form ST-1-X for each month you are amending. You cannot file one Form ST-1-X to amend several months. Likewise, if you file Form ST-1 on a quarterly or annual basis, you must file one amended return for each quarter or year that you want to amend.

If you originally filed Form ST-2, Multiple Site Form, you must file Form ST-2-X, Amended Multiple Site Form, for the locations whose figures need to be amended and attach it to Form ST-1-X. For those locations with no change, we will use the most recent figures filed.

If you originally filed Schedule A — Deductions and those figures need to be amended, you must complete Schedule A-X — Amended Deductions with the corrected figures and attach it to Form ST-1-X.

If you originally filed Schedule B — E911 Surcharge and ITAC Assessment and those figures need to be amended, you must complete Schedule B-X — Amended E911 Surcharge and ITAC Assessment with the corrected figures and attach it to Form ST-1-X.

Failure to file Form ST-2-X, Schedule A-X, or Schedule B-X, if applicable, will delay the processing of your Form ST-1-X or your changes will not be accepted on your Form ST-1-X.

Note: If you received a notice from us that your original return could not be processed, we will not send you a refund or issue you a credit even if you amend the return until you respond to the notice.

How do I report sales of aviation fuel?

All sales of aviation fuel made on or after December 1, 2017, must be reported and the tax paid on Form ST-70, Aviation Fuel Sales and Use Tax Return. Receipts from sales of aviation fuel still will be reported on Form ST-1, Step 2, Line 1, but then must be deducted entirely from the ST-1 as an Other Deduction on Schedule A, Line 16, using the write-in description "Sales of Aviation Fuel."

How do I report sales of qualifying food items during the 1% grocery tax suspension period from July 1, 2022, through June 30, 2023, or sales of items that qualify for the state sales tax holiday from August 5, 2022, through August 14, 2022?

Retailers should report the receipts from sales of grocery tax suspension and sales tax holiday items on Form ST-1, Lines 4a, 5a, 6a, 7a, 12a, and 13a and tax on these items on Lines 4b, 5b, 6b, 7b, 12b, and 13b. Retailers must then use Schedule GT-X, Amended Sales and Use Tax Holiday and Grocery Tax Suspension Schedule, to report receipts from sales of qualifying food items during the grocery tax suspension period or sales of qualifying items during the state sales tax holiday and calculate the credit to be taken against

the tax reported on Form ST-1-X. Retailers reporting these sales from multiple locations only need to complete one Schedule GT-X with total qualifying receipts for all locations. Do NOT complete a separate Schedule GT-X for each location. See the Schedule GT-X Instructions for specific instructions on filing.

Note: Do NOT file Schedule GT-X if you have no grocery tax suspension or state sales tax holiday receipts to report.

What is the deadline for filing this form?

You must file Form ST-1-X any time you need to correct your original Form ST-1 filing (or even a previously filed Form ST-1-X).

The period for which you can claim a credit for an overpayment of Sales and Use Tax, E911 Surcharge, or ITAC Assessment depends on when you file your Form ST-1-X. If you file this amended return between January 1 and June 30 of this year, you may file a claim for credit for the amounts you overpaid during the current year and the 36 months prior to the current year. If you file this amended return between July 1 and December 31 of this year, you may file a claim for the amounts you overpaid during the current year and the 30 months prior to the current year.

Note: We use the U.S. Postal Service postmark date as the filing date of a properly amended return (claim for credit).

Note: If an amended return claiming a credit or refund is filed within six months of the expiration of the statute of limitations, then beginning June 25, 2021, the statute of limitations will automatically be extended an additional six months for issuing an assessment of additional tax due.

There is no deadline for making an additional payment; however, the longer you wait to pay, the more interest and, when applicable, penalty you will owe. For more information about penalties and interest, see Publication 103, Penalties and Interest for Illinois Taxes, which is available on our website at tax.illinois.gov.

When must I file Form ST-2-X?

If you are registered to file Form ST-2, Multiple Site Form, when you file your Form ST-1, you must complete and attach Form ST-2-X, Amended Multiple Site Form, to your Form ST-1-X.

Can I file this return and pay the tax due electronically?

Yes, you can use MyTax Illinois at mytax.illinois.gov to file your Form ST-1-X, and, if applicable, Form ST-2-X and Schedule GT-X if you filed your original return for the same period through MyTax Illinois. MyTax Illinois also allows for electronic payment of any tax due.

Specific Instructions

Which steps of this form must I complete?

Everyone must complete Steps 1, 2, 4, and 5.

You must also complete Step 3 if you believe you have overpaid. You cannot report a negative amount of receipts on Form ST-1-X or for any sales location on an ST-2-X filed with the ST-1-X. If you are claiming a credit for a refund to a customer and that credit will result in negative receipts on Form ST-1-X or for any sales location on an ST-2-X filed with the ST-1-X, you must instead amend the period in which the sale was originally reported.

Step 1: Identify your business

Enter your Illinois account ID and business name as they appear on your original Form ST-1. Also, enter the reporting period for which you are filing the amended return. For example, if you file Form ST-1

- monthly, your January 2014 reporting period will be 01/01/2014 through 01/31/2014;
- quarterly, your first quarter 2014 reporting period will be 01/01/2014 through 03/31/2014; or
- annually, your 2014 reporting period will be 01/01/2014 through 12/31/2014.

Step 2: Mark the reason why you are filing an amended return.

Mark the reason that best explains why you are amending your Form ST-1. If you mark overpaid, you will need to complete Step 3.

Step 3: Mark the reason(s) why you have overpaid your return.

Mark the reason(s) that best explains why you believe that your Form ST-1 is overpaid. If none of the reasons fit your situation, including changes to the E911 Surcharge or ITAC Assessment previously reported, please attach a letter to Form ST-1-X explaining why you believe you are overpaid.

Line 1a: If you increase your resale exemptions, you must list all account ID numbers on Schedule RE, available on our website at tax.illinois.gov, and attach it to Form ST-1-X.

Line 1c: If you increase your sales to exempt organizations, you must list all Illinois Tax Exemption (E) numbers on Schedule RE, available on our website, and attach it to Form ST-1-X. The organization's Illinois Tax Exemption number must have been in effect on the day you made the sale.

Line 8: Include only the locations on Form ST-2-X that need to be changed. For those locations with no changes, the most recent figures filed will be used.

Line 9: Mark if you are a retailer who is exchanging Manufacturer's Purchase Credit from a customer who previously paid cash.

Line 10: Mark if you are exchanging Manufacturer's Purchase Credit for cash previously paid on items for which you self-assessed use tax.

Line 11: Mark the appropriate reason (a through d) if you self-assessed use tax on items that are not taxable.

Step 4: Correct your financial information.

Complete all applicable lines when making the corrections to the financial information on Form ST-1-X, ST-2-X, Schedule A-X, and Schedule B-X. If you do not complete all lines, we will use the most recent figures filed. For Form ST-2-X, you need to include only the locations that have a change. For those locations with no changes, the most recent figures filed will be used.

Drop amounts of less than 50 cents, and increase amounts of 50 cents or more to the next higher dollar.

Note: All sales of aviation fuel made on or after December 1, 2017, must be reported on Form ST-70, Aviation Fuel Sales and Use Tax Return, and corrections to sales reported on that form must be reported and the tax paid on Form ST-70-X, Amended Aviation Fuel Sales and Use Tax Return. Sales of aviation fuel occurring prior to December 1, 2017, should be reported along with other general merchandise sales on Form ST-1.

Line A and Lines 1 through 25: Enter the corrected figures.

Note: If you are reducing an amount to zero, enter "0." Leaving the line blank may delay the processing of your Form ST-1-X or your changes will not be accepted on your Form ST-1-X.

Lines 26 through 28: Follow the detailed instructions listed below.

Detailed instructions for certain lines in Step 4

Line 1 - You must include all of your receipts for this reporting period on Form ST-1-X, Line 1. When including receipts for items that qualify for the grocery tax suspension or sales tax holiday and that are reported on Schedule GT-X, you must include all taxes that would have been collected on these receipts but for PA 102-0700, even if you did not actually charge your customers these taxes.

Line 2: Enter the correct amount of deductions on this line (from Schedule A-X, Line 29). Retailers are allowed to deduct the tax that would have been collected on retail sales of items that qualify for the grocery tax suspension or the sales tax holiday and are included on Schedule GT-X as long as these taxes are also included in the amount on Step 4, Line 1 of the ST-1-X.

Line 10: Complete this line **only** if you filed your original return by the due date (and, if applicable, satisfied any electronic return filing mandate) and timely paid the tax. See the instructions for Form ST-1 for an explanation of what qualifies you to claim a discount. If you have met the qualifications to claim a discount on your original return, the discount amount is 1.75% of your tax due or \$5 per calendar year, whichever is greater. Retailers reporting receipts on items that qualify for the grocery tax suspension or the sales tax holiday are authorized to include the amount of tax on receipts that would have been due on these items when calculating the discount allowed.

If you are increasing the amount of tax due, you **may not** increase the amount of your discount **unless** the increased tax due was timely paid. In addition to timely payment, if you are required to file electronically, you also must have timely filed your original return electronically to be entitled to the increased discount.

If you are decreasing the amount of tax due, you will need to recalculate the amount of discount to which you are entitled based on your new figures.

Line 16a: Enter the correct amount of Manufacturer's Purchase Credit (MPC) on this line. However, if you under-reported your MPC, you should claim the credit on a future return.

Generally, you cannot claim MPC credit on Form ST-1 for any reporting period after December 31, 2016.

Line 17: If you did not attach a sufficient number of original Forms PST-2 to cover the amount claimed on your original return, you may attach them to this return to receive credit. If you did not take credit for prepaid sales tax on your original return and there are no other changes to that return, you should attach the original Forms PST-2 to any future Form ST-1 return to receive credit.

Line 21: Enter the correct amount of E911 Surcharge and ITAC Assessment on this line (from Schedule B-X, Line 10).

Line 23 - If you are not including Schedule GT-X with your Form ST-1-X, add Lines 20, 21, and 22. If you are including Schedule GT-X with your Form ST-1-X, add Lines 21 and 22 from your Form ST-1-X, and Line 11 from Schedule GT-X.

Line 24: If you have a credit memorandum or prior overpayment and you wish to use it towards what you owe, enter the amount you are using.

Line 26: Enter the total amount you have paid. This figure includes the amount you paid with your original Form ST-1, any subsequent amended returns, and any other payments you have made for this reporting period, but this figure should not include any quarter-monthly payments made for this reporting period. Instead, report quarter-monthly payments on Line 18. Be sure to reduce the total amount you have paid by any credit or refund of tax you have received for this reporting period.

Line 27: If Line 26 is greater than Line 25, enter the difference on Line 27. This is the amount you have overpaid.

Line 28: If Line 26 is less than Line 25, enter the difference on Line 28. This is the amount you have underpaid. Please pay this amount when you file this return. We will bill you for any additional tax, E911 Surcharge, ITAC Assessment, penalty, and interest that is due.

Please enter the amount you are paying on the line provided in the "General Information" section on the front of the return.

Penalty and Interest Information

If, on this amended return, you are increasing the amount of tax, E911 Surcharge, or ITAC Assessment due, we will bill you for any additional penalty and interest that we calculate is due.

If, on this amended return, you are reducing the amount of tax, E911 Surcharge, or ITAC Assessment due, we will recalculate any penalty and interest that is due and include the recomputed amounts in determining the amount you have overpaid.

You owe a **late-filing penalty** if you do not file a processable return by the due date, a **late-payment penalty** if you do not pay the amount you owe by the original due date of the return or were required to make quarter-monthly payments and failed to do so, a **bad check penalty** if your remittance is not honored by your financial institution, and a **cost of collection fee** if you do not pay the amount you owe within 30 days of the date printed on a notice or bill. For more information, see Publication 103, Penalties and Interest for Illinois Taxes, available on our website at tax.illinois.gov.
