

# ST-556-D Nontaxable Sales for Resale of Previously Rented or Leased Vehicles Instructions

# **General Information**

# Who may file Form ST-556-D?

If you are in the business of leasing or renting items of the type that must be titled or registered by an agency of Illinois state government (*i.e.*, motor vehicles, watercraft, aircraft, and trailers), and, in connection with such business, at the end of the lease or rental period you sell such items to a retailer for the purpose of resale, you may report these sales for resale on Form ST-556-D. You can report multiple sales for resale on Form ST-556-D, with those sales being to the same or multiple purchasers. If you meet these requirements, you may file this schedule to avoid the additional paperwork involved in filing a separate Form ST-556-D for Form ST-556-D for each item.

# How can I file Form ST-556-D?

Form ST-556-D must be filed electronically using MyTax Illinois, available on our website at **mytax.illinois.gov.** 

**Note**: If you are already registered to file Form ST-556, you are also registered to file form ST-556-D.

# When must I file my return?

Form ST-556-D is reported on a monthly basis and is due on or before the 20th day of the month following the end of your reporting period. Please note that you may file multiple ST-556-D returns for each reporting period to add transactions.

## What records should I keep?

You should retain any records that verify each sale for resale, such as a copy of the rental agreement, sales log, deal jackets, copy of the sales invoice, Form CRT-61, and any other pertinent documentation.
