Details about the Fiscal Year 2024 estimate for Personal Property Replacement Taxes (“PPRT”) and the listing of the approximately 6,500 local taxing districts which are entitled to receive an allocation for Fiscal Year 2024 (July 1, 2023, through June 30, 2024) are now available. Ordinance Submissions

There are two options for submitting certified ordinances to LTAD.

2) MyLocalTax

Submit the ordinance through [MyLocalTax](#) (MLT) using an account with authorized access. Select “View More Account Options” in your allocation account, then “Submit Certified Copy of Ordinance or Resolution.” LTAD cannot accept ordinances sent as email or MLT message attachments.

Rebate Sharing Agreements

Illinois law requires all units of local government to report electronically to IDOR agreements commonly known as “rebate sharing agreements.” Using MyLocalTax, local governments must report detailed information on any new or existing agreements to share or rebate any portion of retailers’ occupation taxes generated by retail sales of tangible personal property. The law also requires that the reported information be made [available](#). For more information, see our [Rebate Sharing Agreement FAQ’s](#).

Important Dates
